*"When the world and I were young
just yesterday. Life was such a
simple game a child could play . . ."*

Memories marked the pages of a year in which new friends were found, new places were visited, and new ideas were tried out.

Pride was shown in our Vikings this year — from honoring our Homecoming Queen in an assembly, to a small unrecognizable feat like helping someone.

The happiness we shared when we were young has molded us into people who care. And the joys we feel today will become tomorrow's memories . . .

. . . It was easy then to tell right from wrong, easy then to tell weak from strong, when men should stand and fight or just go along . . .

As school re-opened, the excitement of registration, the arrival of a new exchange student, cheerleader try-outs, football games, and the climactic homecoming, completely engrossed the entire school . . .

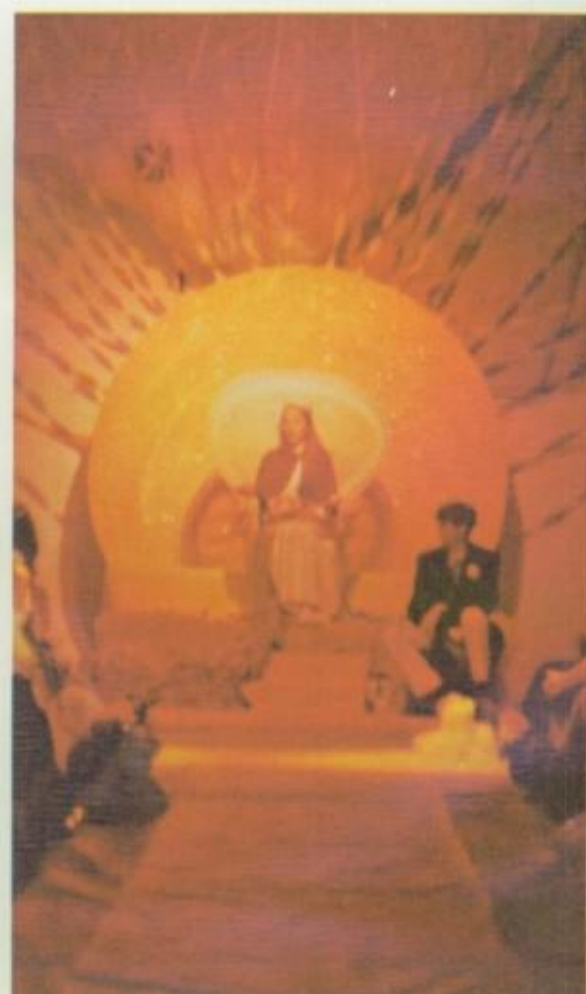

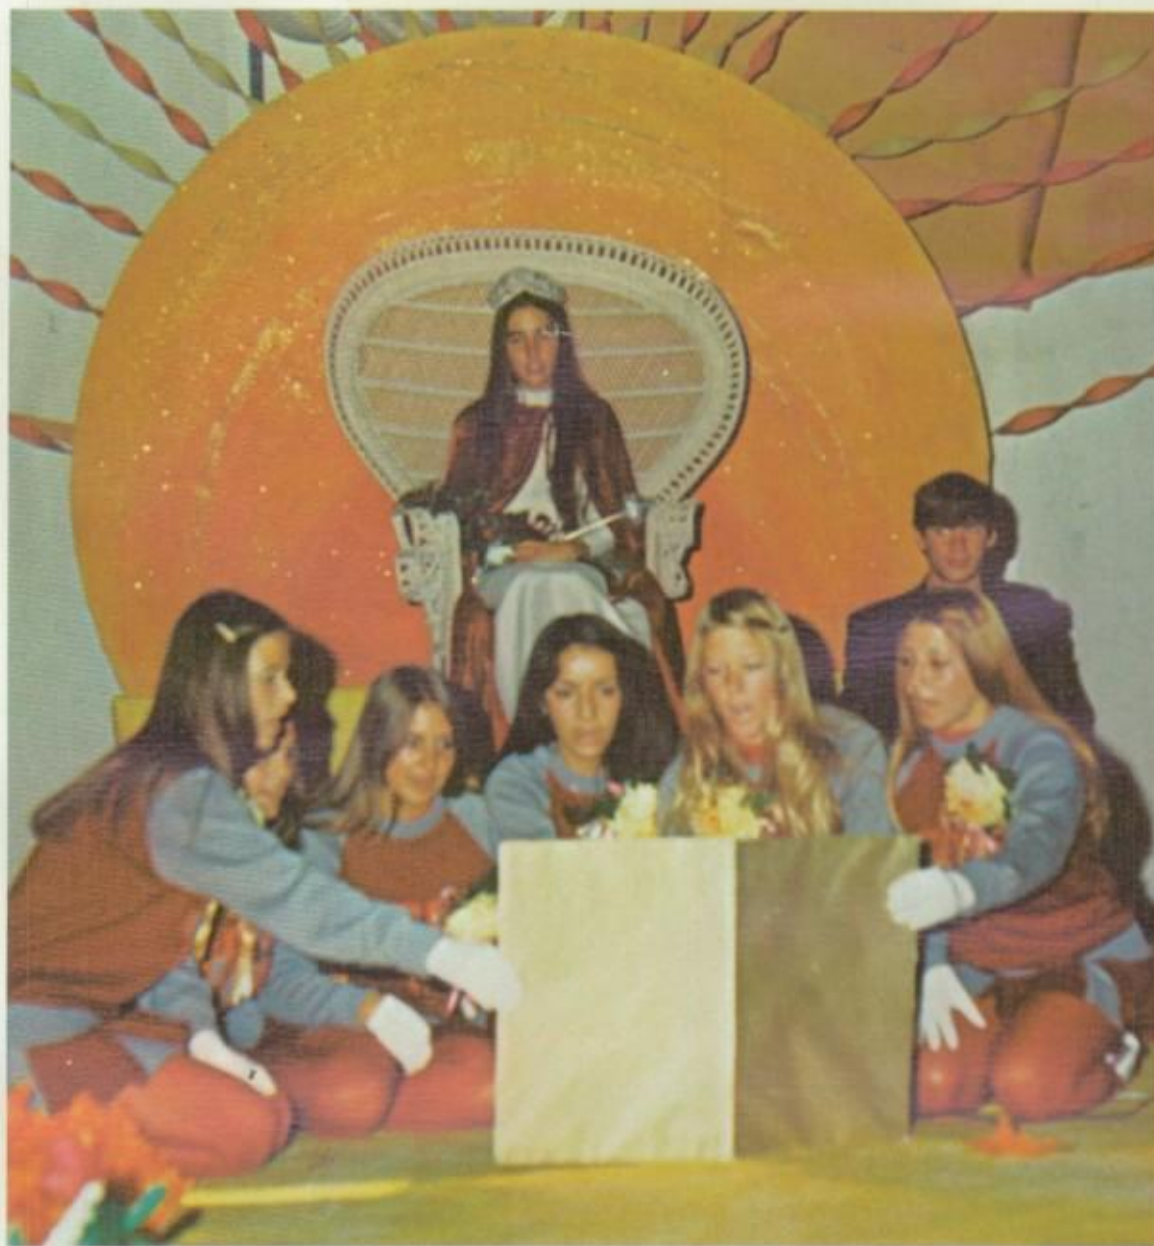

*I remember when the answer
seemed so clear.*

*We had never lived without
foretasted fear . . .*

"Here comes the Sun," seemed an appropriate homecoming theme in times when one needed something to brighten his outlook and clear doubts about his own future.

Suspense mounted, as the top three nervously awaited the announcement of the 1972 Viking Homecoming Queen. Queen Emily reigned over all the Homecoming festivities, which included the assembly, game, and the dance. The dance was held at the new Albuquerque Convention Center, with over 400 people attending. This concluded the activities for the 1972 Viking Homecoming, which was a very memorable occasion for everyone.

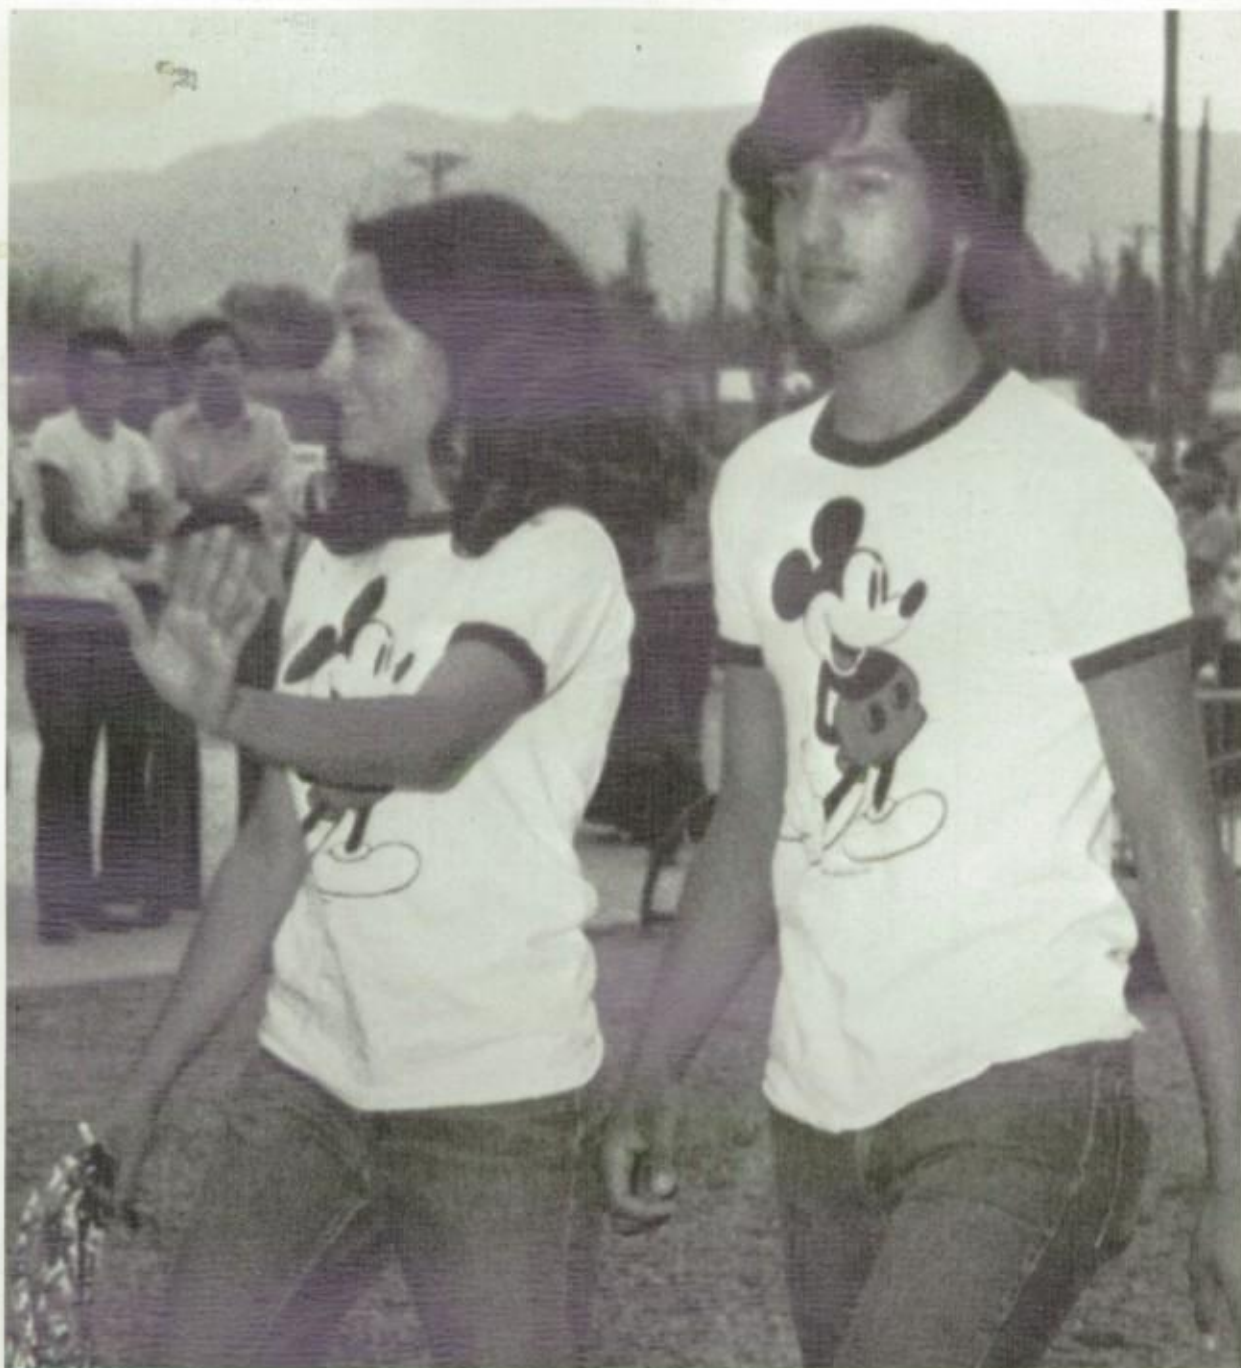

... It was easy then to tell truth from lies, selling out from compromise, who to love and who to hate, the foolish from the wise ...

School not only means work, but also sharing a common goal and striving to bring it to your grasp, no matter what it may be. Having a friend to lean on, makes both happiness and depression all worthwhile.

I always
heard alot about
you, and from you.
and do you realize
that I don't believe
that I know you really are?
who
confused,
Dulley Remile

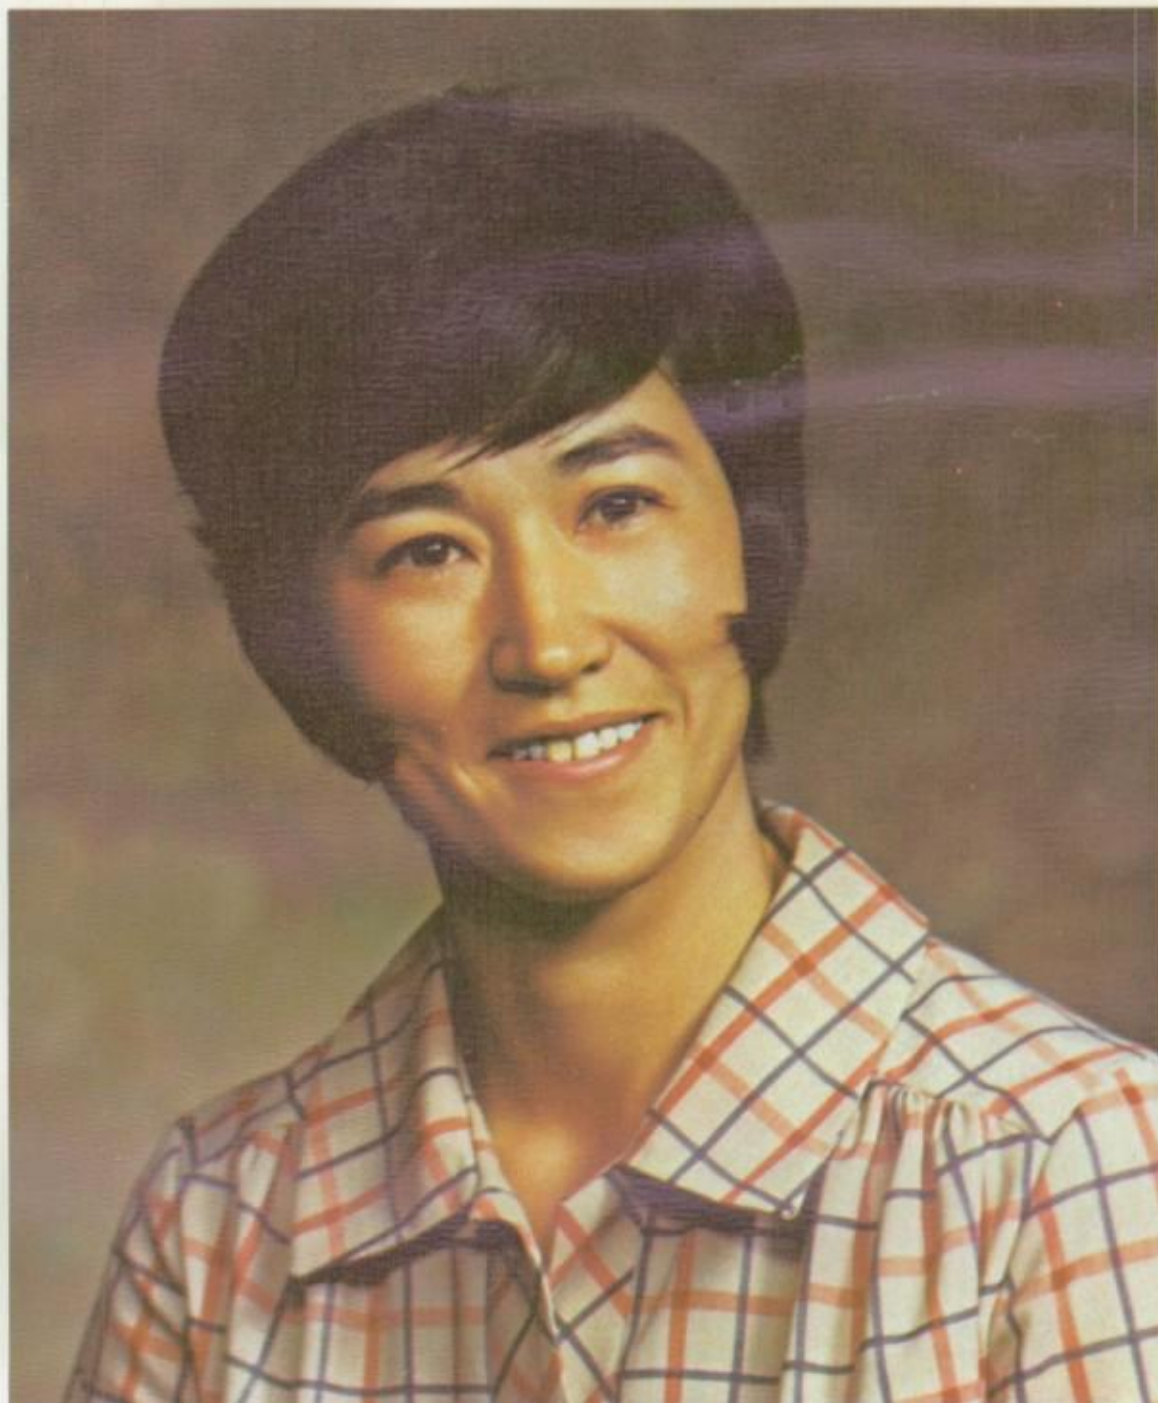

Thanks for

MISS SANDRA SHOON

Counselors are an essential source of help and are valuable harmonizing agents for relationships between students and teachers. Miss Shoon has served the student body in the capacity of counselor for the 1972-1973 school year with admirable efficiency.

Before becoming a counselor this year she was a physical education teacher where she helped with organized girl's sports many times.

Showing her spirit, Miss Shoon cheers at one of Valley's football games.

To Senior Class Sponsor Miss Sandra Shoon

Vi-Queen Emily Akin receives a big hug from Miss Shoon during the homecoming dance.

Advising a student on furthering her education is one of Miss Shoon's main concerns as a counselor.

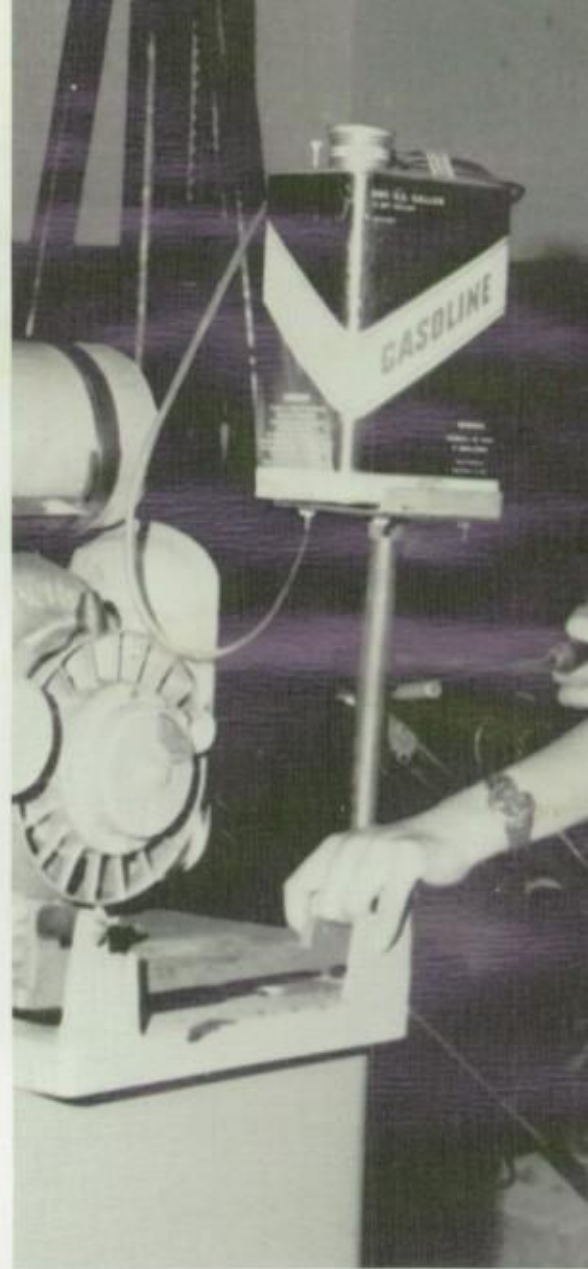

During an intermission at the homecoming dance, Miss Shoon strolls around the new convention center.

In addition, the Senior Class has been appreciative of all the voluntary time and work she has donated to make theirs one of the most profitable and publicized classes in Valley's history.

In view of this outstanding hard work and capacity for caring, the yearbook staff is proud to dedicate the 1973 SAGA to Sandra Shoon.

Valley's varied curriculum shows how far schools have progressed from the days of reading, writing, and arithmetic. In keeping with students' changing needs and interests, the program is changed each year to meet these needs.

With a special emphasis on career education, this year Valley's faculty has worked to make Valley a worthwhile experience for its 2000 students.

Fall Of 1972 Begins David White's Fifth

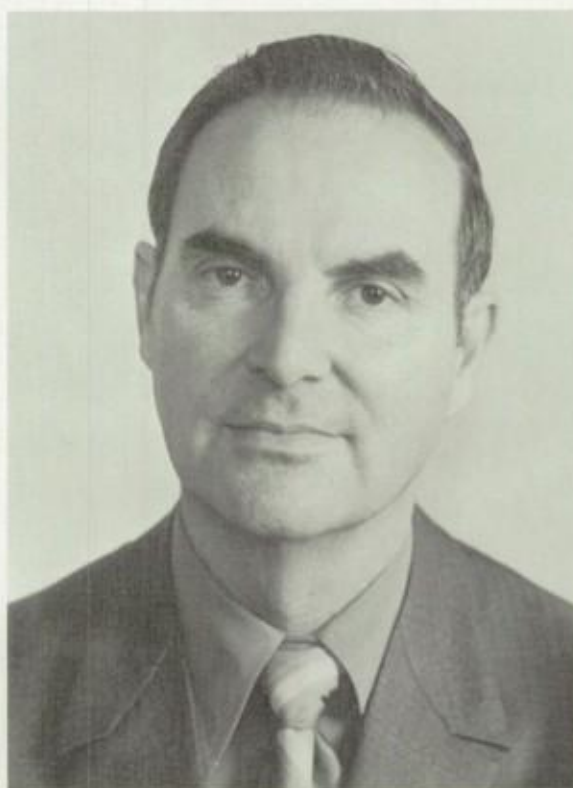

Members of the school board for the Albuquerque Public Schools are Ted Martinez, Daniel McKinnon, Jeanette Stromberg, Henry Willis, and Joseph Zanetti.

Ernest Stapleton was principal of Valley High School from 1956-1962. Now he is in his second year as the A.P.S. superintendent.

Robert Montoya is North Area Superintendent and is in charge of Valley High and its feeder schools.

These men, the members of the Albuquerque Board of Education, and the other administrators set the policies that are used at Valley.

This year they handed down the long discussed policy on student rights and responsibilities. This document is meant to guide both students and faculty members on their rights in the public schools.

Mr. White has served Valley well during his five years as principal. He was exceptionally easy to get along with which was one reason he was well liked by the student body. As principal of Valley he has allowed students to smoke outside of buildings and has provided an open campus for the first time in Valley's history.

Also under the initiative of Mr. White, Valley's curriculum has been changed to emphasize career education. He made these changes to try to make Valley better meet the needs of its students.

Marlene Dunaway — Newest Addition

Valley got its third vice principal, and its first woman administrator in several years with the addition of Marlene Dunaway. She is a graduate of the University of New Mexico with a B.S. in Mathematics and an M.S. in school Administration.

Marie Hayes, the student activities director, had a really busy year as it was one of the most active years ever at Valley.

The most noticable difference in this year's administration procedures was the change of policy relating to attendance. Instead of calling a student to the attendance office for skipping class, when a student gets five unexcused absences in a class his grade was dropped a letter grade. Whether a student was excused or not was left up to the individual and his teacher.

Another difference, much to the delight of the student body, was an open campus during lunch. Students were not restricted to the school grounds and could eat anywhere they wanted.

Showing the new vice principal Marlene Dunaway the daily schedule is vice principal Bert Everett.

College Pay, Financial Aids And Vocational

Back from last year's counseling were Shelby Copland, Bill Craig, Floyd Vasquez, and Betsy Yost. Sandra Shoon was a newcomer to the counseling department but not to Valley. She had been here eight years and this was her first as a counselor. Mr. Copeland, Mr. Craig and Miss Yost have all been counselors for four and three years respectively. Mr. Vasquez was in his second year. Barbara Pino was in her second year as counselor secretary.

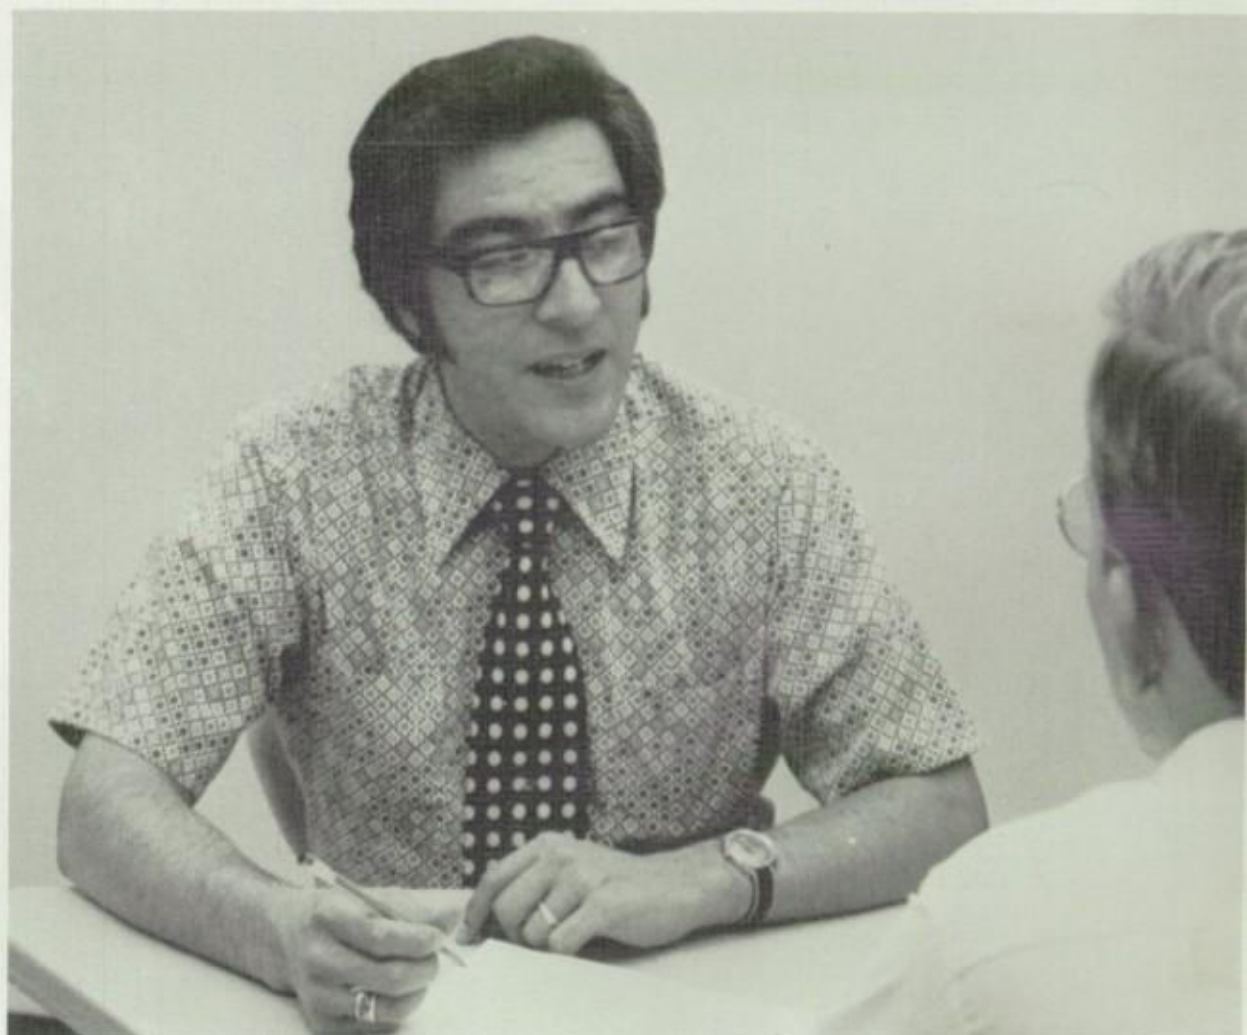

This year the counselors experimented with a new appointment system. Instead of the students leaving their schedules with the counselor to see him at his convenience, they went to Mrs. Pino and made an appointment for a certain day and time. The students then received a slip to show their teacher the time of the appointment.

Seniors JoAnn Ulibarri and Theresa Chavez find Mr. Craig a great help in preparing for college.

Keeping files on each student at Valley is a big part of Mrs. Pino's job.

Mr. Vasquez talks to Jim Duncan about early graduation.

Careers Nights Sponsored By Counselors

Mr. Copeland talks to student about her future plans.

This year counselors went around to each senior history class giving them information about college. To some it was frightening, but others looked forward to it. Students wishing to attend college were informed by the counselors to take their ACT and SAT tests if necessary. The students were also given information about vocational schools. The counselors also sponsored College Day, Financial Aids Night, and Technical Careers Night.

There were twenty-five colleges represented at College Day. This year all activities of this sort took place after school. This was due to the new change of rules.

Financial Aids Night concerned the students and their parents. This was to help certain students with financial problems. And as in the past, the counselor's main objective was to help the students.

For Sophomore And Senior Classes

Mrs. Rhodes explains the fundamentals of American grammar to Debbie Montoya, Barbra Almaraz, and Bill Fernstrom.

Valley's English Department experienced a second year of change because of the new credit system. Sophomores and seniors were offered English courses (one and one-half credits each) which totaled three credits fulfilling English requirements for graduation. The junior class was exempt from taking this course.

Career-oriented courses were also being initiated at Valley this year, one of which was taught by Mrs. Ashbaugh. Practical English offered appreciation of literature and communication. This course was primarily for seniors. It was mostly for students who were not planning to attend college. Responses from student evaluations were both positive and negative but overall the course proved to be interesting and informative.

2030 was a new course of English and world history taught by Miss Williams and Mrs. Jennings respectively.

The directed studies program for the second year was expanding. The curriculum consisted of the students working at an individual and different pace from that of the classroom.

Mrs. Jennings lectures to her second period English class while Imelda Lopez and Theresa DeBaca take notes.

Participating in a group discussion are Barbra Wilburn, Angelo Tapia, Dana Kainz, and Luke Sanchez. Harold Nelson studies on his own.

Students Are Offered A Wide Variety

Mrs. Jennings and Miss Williams direct the new (2030) Blended Fields. This is a new class which has been offered. It is a blended course of study that approaches the philosophical, theological, artistic, and communicative aspects of man's search for "THE GOOD LIFE."

Many students are taking either Sociology I or Sociology II. Mr. Dray, a new teacher, along with Mrs. Rector and Mrs. Willis teach these interesting classes.

Limits So As To Include All Students

Mr. Micheal Gruner explains Animal Home Ranges to his third period Biology I class.

With so many sophomores this year, the science department had to hire a new teacher, Mr. Duffey. He taught just Biology I to the overflow of students. Not only are the sophomores numerous, but also the juniors and the seniors, Mr. DiNello was teaching more chemistry classes than ever before.

Biology II is a class designed for seniors with the exception of a few juniors. This class was expanded to the limits, to include most interested students.

Zoology and Conservation instead of being a combined year course had been separated and each was enlarged to a full year course. These two classes were offered as electives to juniors and seniors. Zoology takes many field trips around the city, to the west mesa and to the irrigation ditches to trap animals for observation and studying purposes.

Physics is another class offered at Valley with the seniors in mind, but it also allows room for some interested juniors.

R.O.T.C. this year was awarded with the honor of being one of the ten best units in the United States. Aerospace was what the R.O.T.C. studied during the year along with subjects like physics and chemistry.

As Valley High continues, so does its Math Department. Mr. Charles Burdick continues his leadership in heading the department this year. His department again offers one of the newest programs, Language and Math. This program offers students the technology of Language and Math which better enables the student towards a more complete understanding of advanced math.

Another course that ties together with Language and Math is the Directed Studies program. This class further enables the student to individually progress in advanced fields of math.

The different courses of Math offered at Valley are math analysis, elementary algebra, Algebra I, intermediate algebra, Algebra II, Algebra II Trig., Math II, geometry, elementary functions.

Mr. Sord interests his geometry class by using the overhead projector.

ment Of Over 1500 Students This Year

In their Typing I class Amy Hopkins, Diane Armijo, Jane King, work for accuracy and speed.

When it was established the Business Education Department was to help train students for jobs and college.

Still following this basic idea the Business Department initiated a course in consumer protection. This class entitled *How not to get Cheated* did exactly what it implied. The students studied different businesses and found out which ones would benefit them most.

The department which had one of its biggest enrollments this year with over 1500 students was headed by Mrs. Sue Bowers.

Classes also available to students were typing, shorthand, stenograph, bookkeeping, and business English.

There was one new face in the department this year. Mr. Larry Huader who received his degree in Business Education with special emphasis on Distributive Education took over the DECA program at Valley.

Instructing Susan Latrel, Shirley Chavez, Nickie Martinez, Steve McCamey, Alvin Sandoval, and Dorothy Tapia on how not to get cheated is Mrs. Reid.

Girl's Ensemble, A New Chorus Class

The Communicative Arts covers a wide variety of curriculum for the students.

The language department has a new French teacher, Jan Godding. Both the Spanish and French department offered four levels to the students.

Mr. Sheets taught Girl's Ensemble, a new course at Valley this year. An audition is required to be admitted to it. Two other sections of music were

offered to the students, band and orchestra.

Art and Crafts, a favorite of the students, made an expansion in its faculty with Joan Olson.

Student interest has caused an expansion in the Drama department. Class sizes grew and many productions were done this year.

Mr. Beasley has been head of our fine Communicative Arts department for three years.

Another new class available this year is Home Economics and Related Occupations. Jeanne Dabney teaches this class called H.E.R.O.

This year many high school graduates are entering the business world soon after graduation. More courses are needed that will give these students an advantage when they graduate. The Vocational Education Department at Valley gives part of that advantage needed.

Both of the classes participated in sports such as splatterball, flag football, mushball, basketball, and swimming.

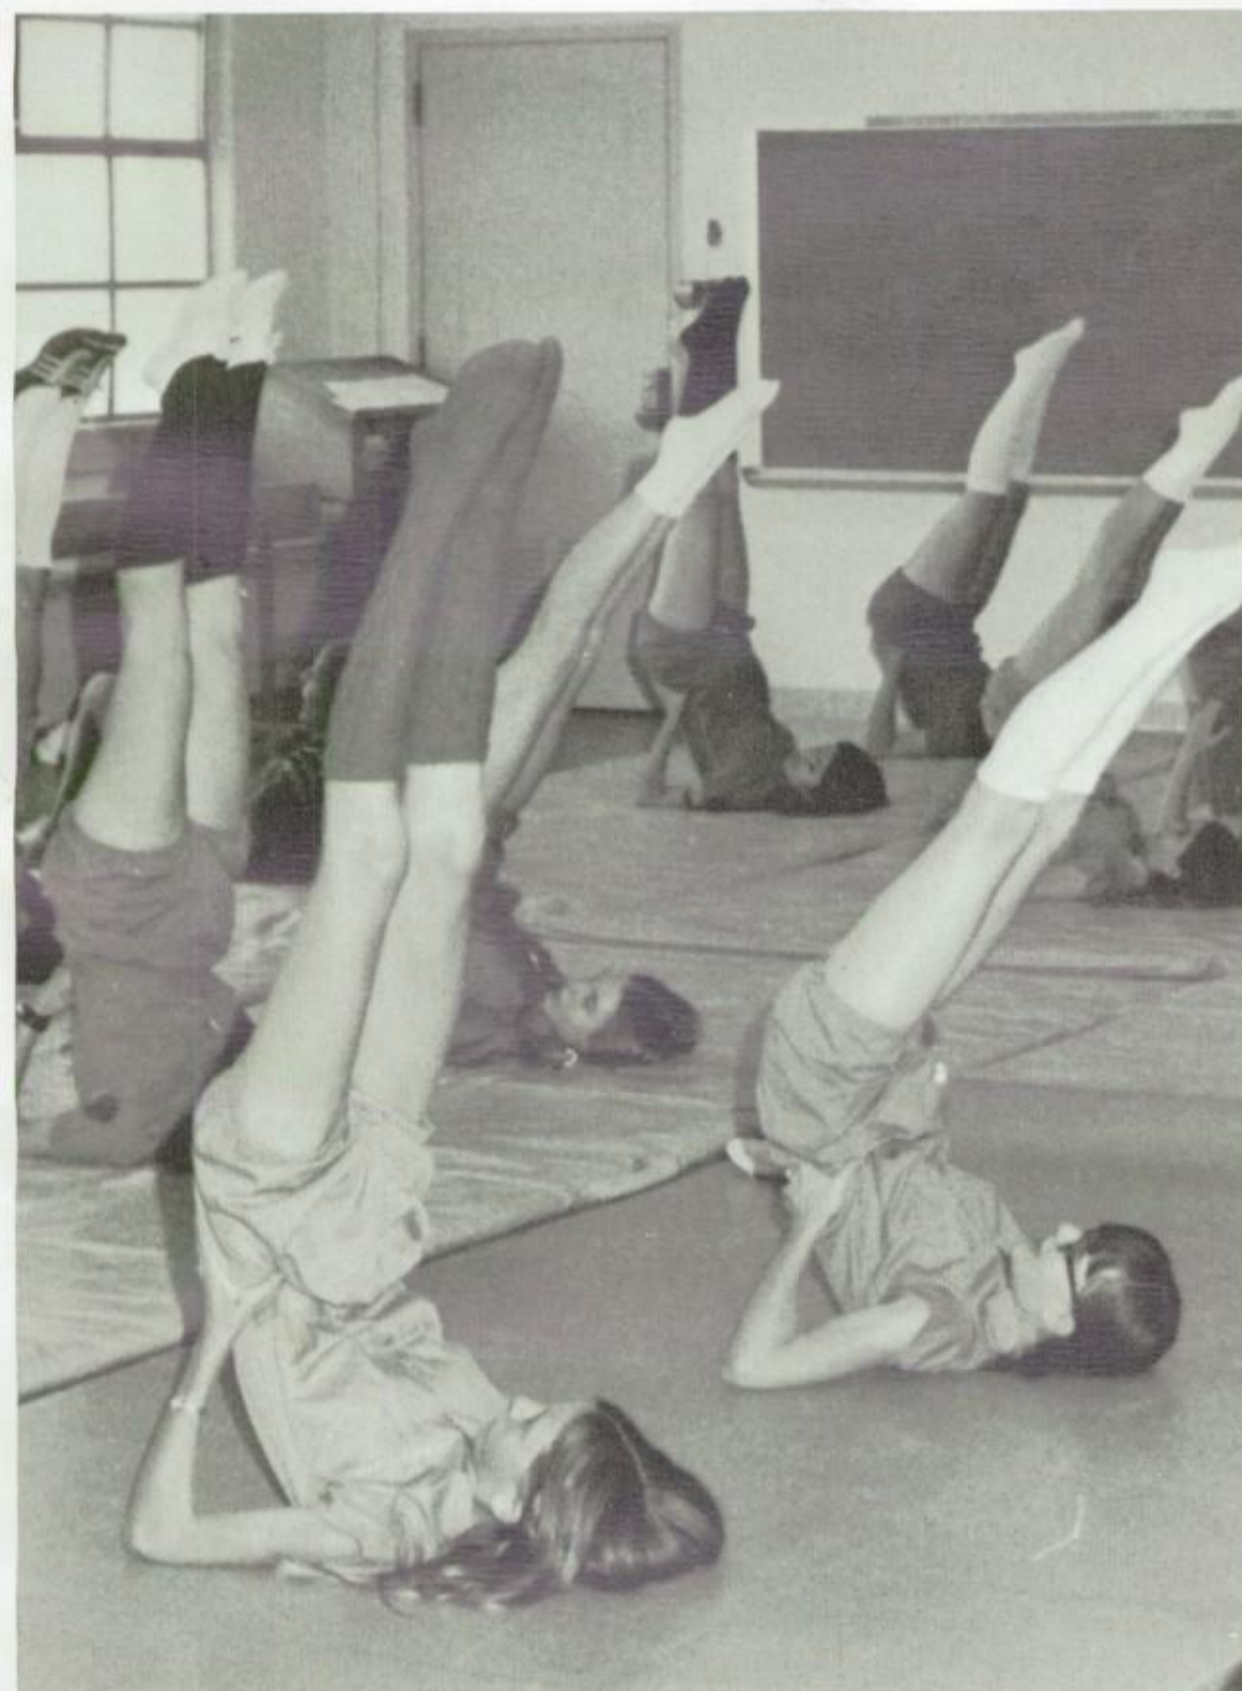

The girls physical education classes had somewhat of a problem, due to the large number of girls in each class.

This year the girls physical education classes participated in activities such as basketball, swimming, gymnastics, softball, tennis, and dance.

Sophomore girls take an exam over badminton in Miss Webb's 4th period physical education class.

In its second year Valley's Media Center offered a number of services for both teachers and students. The Media Center offered a great selection with total holdings of 14,000 books, with offerings of filmstrips, records, and audio-visual kits for students use.

Other services included an A-V room with equipment for everybody's use, a book room containing 25,000 textbooks, a lecture hall seating ninety-four and a hospitality room seating eighty-four.

The Media Center has a loading dock which is a central location for all incoming supplies.

As far as new aspects are concerned, a Career Education office is located where Mr. Charles Caserio is Staff Coordinator.

Mr. Wade Heads ICT's First Year;

Under the supervision of Russell Wade, Industrial Cooperative Training began its first year at Valley.

The purpose of the ICT program is to prepare high school students to enter gainful employment in occupations of their choice upon completion of the program. Its main objectives are to assist students in discovering their aptitudes, interests, and abilities. It also aids students in occupational selection and preparation for advancement in employment.

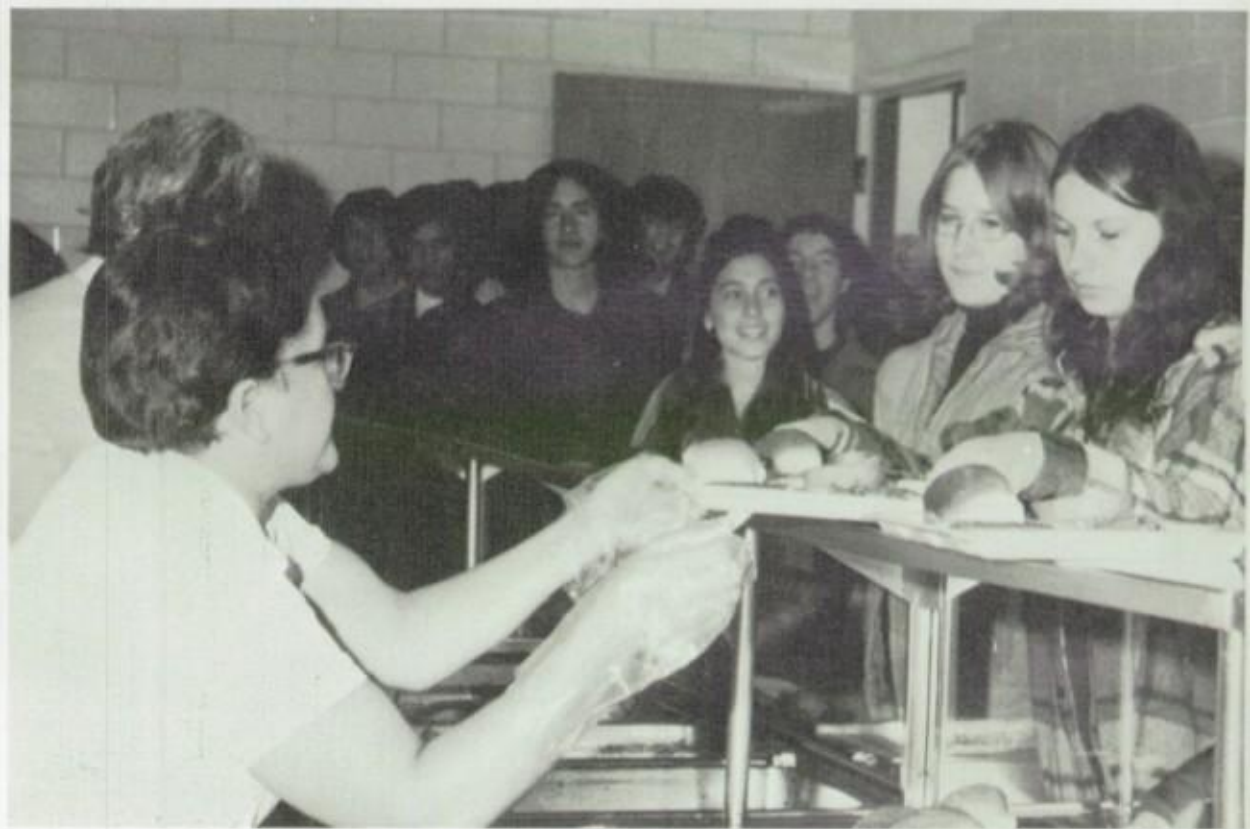

Vocational Rehabilitation headed by Dick Fox is a course that has been at Valley for many years and is one that continues to aid students.

Other teachers that assist Mr. Fox are Jane Otto, Cecila Prelo, and David F. David.

ICT taking on its first year at Valley and Vocational Rehabilitation picking up from past years are two courses that are helping many of Valley's students to become trained and informed in many areas of work that will enable them to hold meaningful jobs in their futures.

Cafeterians And Custodians Work Hard

Cafeteria staff members are (Top row): Martha Jenkins, Nancy Romero, Vangie Cordova, Ann Hauert, Frances Pino, Darlene Cathey, and Marge Pepin. (Bottom row): Mary Saavedra, Rita Romero, Hazel Ramsey, Irma Wise, Mable Nix, and Mary Garcia.

Salamon Griego, Juan Maestas, Andres Vigil, and Eloy Cebada are four of Valley's numerous janitors who work to keep the school operating.

This year the cafeteria staff has had the job of serving a wider variety of meals. The reason was the Pony Express across the street from Valley, a lunch hangout for the students, had been closed.

Now the students had three choices — leaving school for lunch, eating in the cafeteria, or eating at the snack bar. One problem in leaving the campus for lunch was getting back to school in time for class.

The staff has provided well balanced meals during both A and B lunches. They have also done an exceptionally good job in keeping the cafeteria clean.

Another staff that has worked as hard if not harder has been the custodial staff. They come in before, after, and during school to keep the school in top condition.

Activities

From registration to graduation, activities played an important role in every Valley student's life. Roller skating, play nights, sports, cheerleader try-outs, movies, concerts, assemblies and dances all help to pull the student body together. Upper classmen helped the sophomores make the transition from Gophers and Trojans to a united Viking force. The activities provided at Valley help people to meet new people, make new friends and in general, "Get it all together."

September's Activities Actually Begin In

SEPTEMBER

Life around VHS got into full swing with school registration on August 25 and 28. The first month of school was started off with orientation on September 1, followed by a football encounter with Carlsbad on September 2.

The second football game of the season was against Bel Aire and three busloads of students journeyed to El Paso for the game. Countless parents and VHS Boosters were also present.

On September 11 officers of the Sophomore class were elected followed by an unsuccessful Beanie Week.

Varsity cheerleaders sponsored a highly successful ice-cream social on the 15th of September. Viking Day at the New Mexico State Fair was September 21.

Homecoming activities began on the eve of September 28 with home-room and campus decorating. The Homecoming assembly was held on the 29th of September with many alumni returning for the occasion. Activities concluded with a football game against the El Dorado Eagles and the Viking Day Dance on September 30.

Upon her arrival at the Albuquerque International Airport Marthita Narvaez was greeted by many Valley students.

Ready to meet their Del Norte opponents, the Vikings emerge from their locker room.

October

October's activities were few and far between; but over the course of the month, the student body did have playnights, roller skating parties and football games to help the weeks go by.

Teacher's Meeting on October 26th and 27th brought a four day break for students around the city, as the Viking football team rounded up a victory against Manzano for their second win in two years.

As Valley students began the process of getting everything moving, they found themselves wondering where the school year was going. The days flew by taking with them the memories of past experiences.

November

The month of October drew to a close, and November opened with a playnight sponsored by the Vikettes, the closing games of football season, the all school play, and UMOC sponsored by National Honor Society.

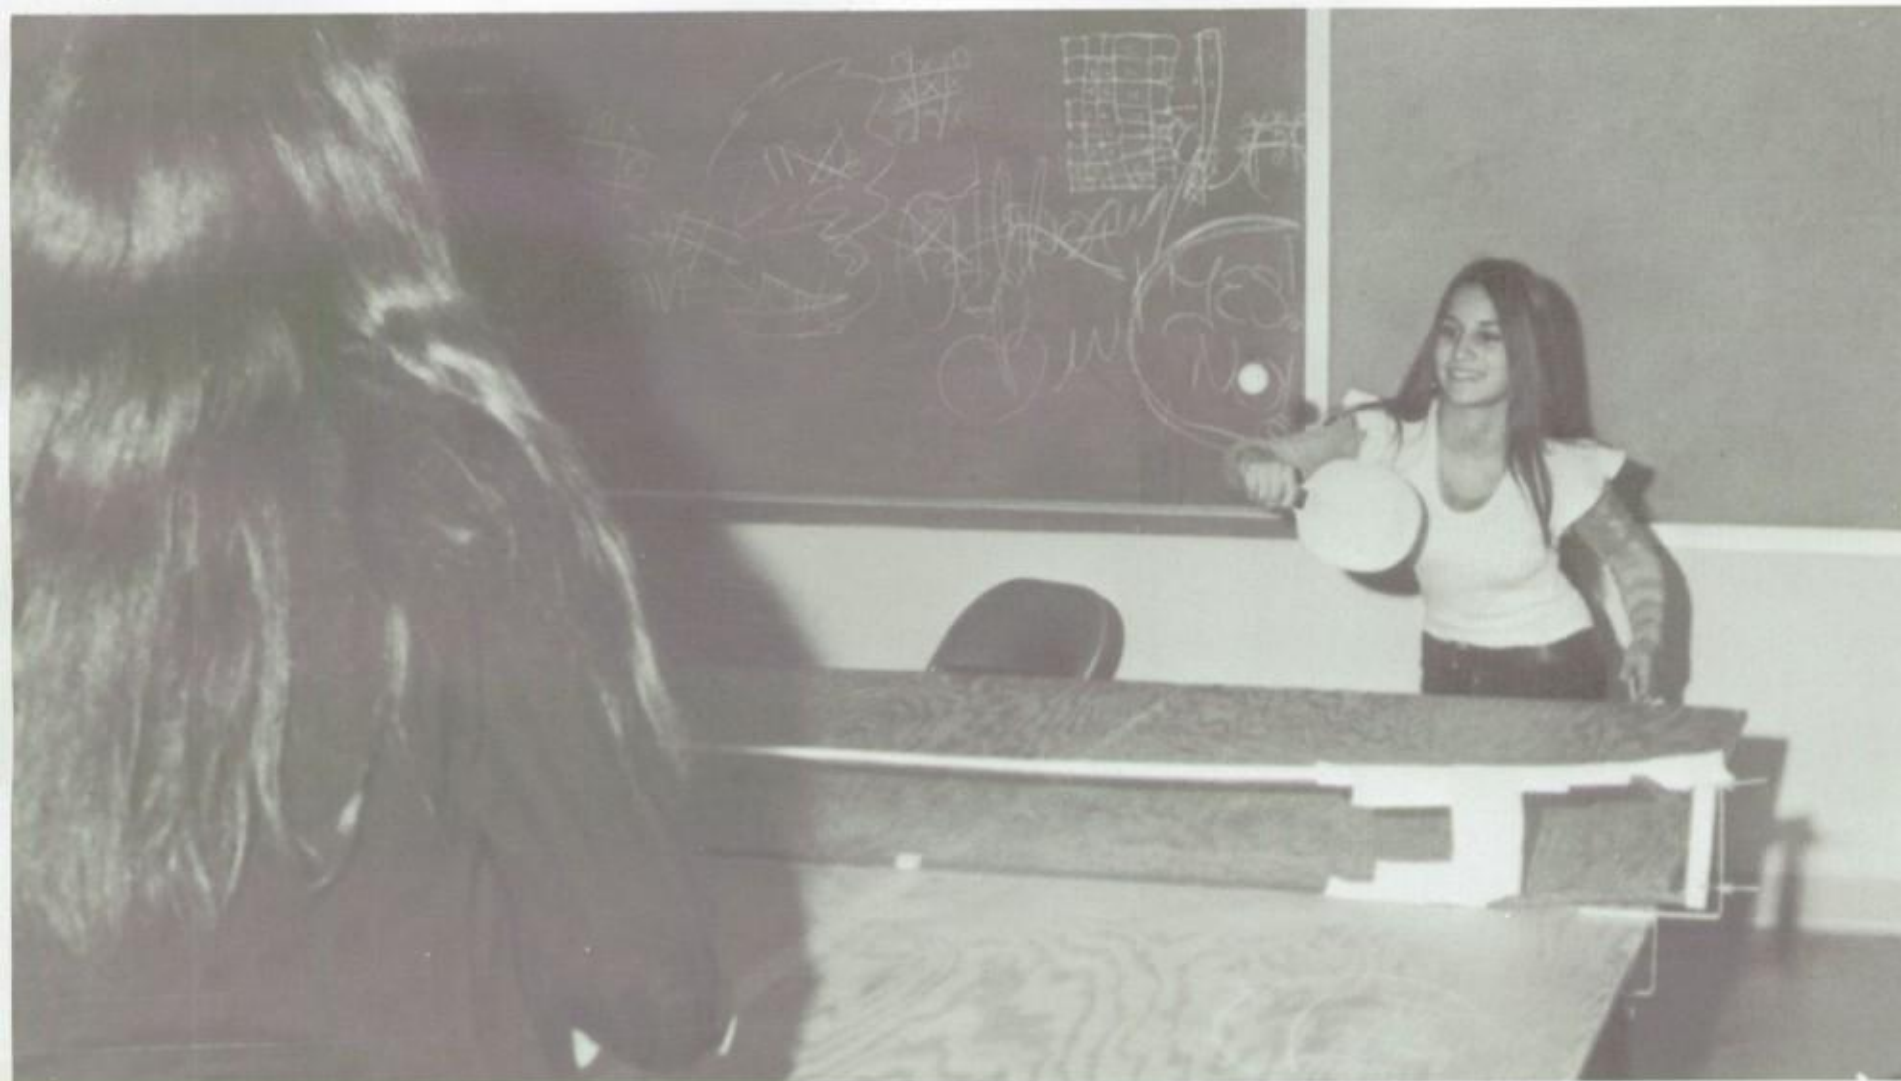

The highlight of November was the all school play, "David and Lisa." Portraying the lead roles were Steve Akin and Denine Cervantes. "David and Lisa," a contemporary drama, told the story of two mentally disturbed adolescents.

Among other activities was the UMOC contest which was one contest the entire student body did participate in. Winning UMOC for the senior class was Bob Pierce. The sophomore class was second with their candidate, Tony Otero. Jeff Wolfe took third representing the junior class.

Cast and crew members of "David and Lisa" prepared for one of their four performances.

December

December's activities opened up on the 7th with a skating party sponsored by the AFJROTC which proved to be a success. Class rings for the juniors also arrived on that day.

The American College Tests for seniors were given the following Saturday morning. The 3 hour long tests were followed by the bus trips to Los Alamos to see the Vikings battle the Hilltoppers in basketball.

Tuesday, the 12th, was highlighted with a performance by "Free Fare," a traveling rock group. "Up with People," a singing group, entertained the student body the next day, before an all-school assembly.

Every year Student Council gives a Christmas party for one of Valley's elementary feeder schools. This year the party was for the 1st, 2nd, and 3rd graders at Duranes Elementary School. Home rooms supplied the gifts for the children and Student Council supplied socks of candy for every child.

The next day, the annual Christmas assembly took place in the gym. Various skits were performed, concert choir sang and everyone got in the mood for Christmas.

Then, the day that every student anxiously waits for finally came — the 21st of December and a two-week Christmas vacation!

Although much of the spirit had faded away, it seemed it had come back after winning two games against Manzano and Highland. Pep assemblies caused spirit among the Valley student body to rise.

Among other activities was the successful Spirit Bash, which was sponsored by the Sophomore Class honoring the Spirit Sweetheart. Junior Class candidate Barbara Ortega was elected over senior candidate Martha Dixon and sophomore Pam Zanetti.

Organizations

Valley has clubs for interest that vary from Rodeo to Skiing, from pep to tutoring, from service to fun. In other words there is something for everyone.

The clubs offer a chance for students to get together with others that have like interest. Earning money for dances, trips, and other activities kept the members busy selling candy, holding bake sales, having "give-aways," etc.

Some of the organizations competed with other schools such as the Future Farmers, marching band, chorus, National Spanish Honor Society and others. These always represented Valley well and brought continued honors home.

This year DECA has sold tapes, calendars, and many other things to raise money for National contests, and a banquet at the end of the year.

OEA is a club for the business-minded students. It teaches the students office practice with typing, shorthand, keypunching, and many other fields in business.

This year they have sponsored many sales and were raising the money for State, National, and Regional contests in the business fields.

These contests will take place in March through May.

Future Homemakers Raise Scholarship Funds,

Active at Valley this year, are the Future Homemakers of America. Along with their annual contribution to the Warren A. Smart Scholarship Fund, the FHA also sold Christmas corsages and Valentine cakes.

The FHA has always been a steady contributor to the Warren A. Smart Scholarship Fund, by sponsoring their annual Baby contest in which homerooms participate. This year the winning homeroom collected \$38.65 to Miss Lane's \$36.99 and Mr. Phillips' \$31.42.

V-Club Active In Money Raising Projects

Letterman's Club members are shown going over plans for one of their money raising projects.

The Letterman's Club was sponsored this year by coaches Buddy Robertson and Bill Sord.

The Club members sold programs at basketball games and had a box supper.

In late February the members held a spaghetti dinner to raise money for the banquet honoring all of the athletes. This banquet is traditionally an annual event. It is held in May and is what the club members work toward during the school year.

Membership in the Letterman's Club is open to anyone who letters in a varsity sport. These include football, cross country, basketball, wrestling, swimming, tennis, golf, baseball, and track.

Letterman's Club Officers for 1972-1973 included Maurice Silva, *president*; Lenny Chavez, *vice-president*; and Mike Garcia, *secretary-treasurer*.

Working late at night to make the first all school play "David and Lisa," a success was one of the many tasks interested drama students tackled.

Some people were seen around the school grounds wearing the white make-up mime artists use. These people didn't mind the stares because it all paid off with Valley taking first place at the St. Pius competitive meet with their offering of "Spanzini Minus One."

There have also been other plays put on by Drama I students making this one of the most active years for drama.

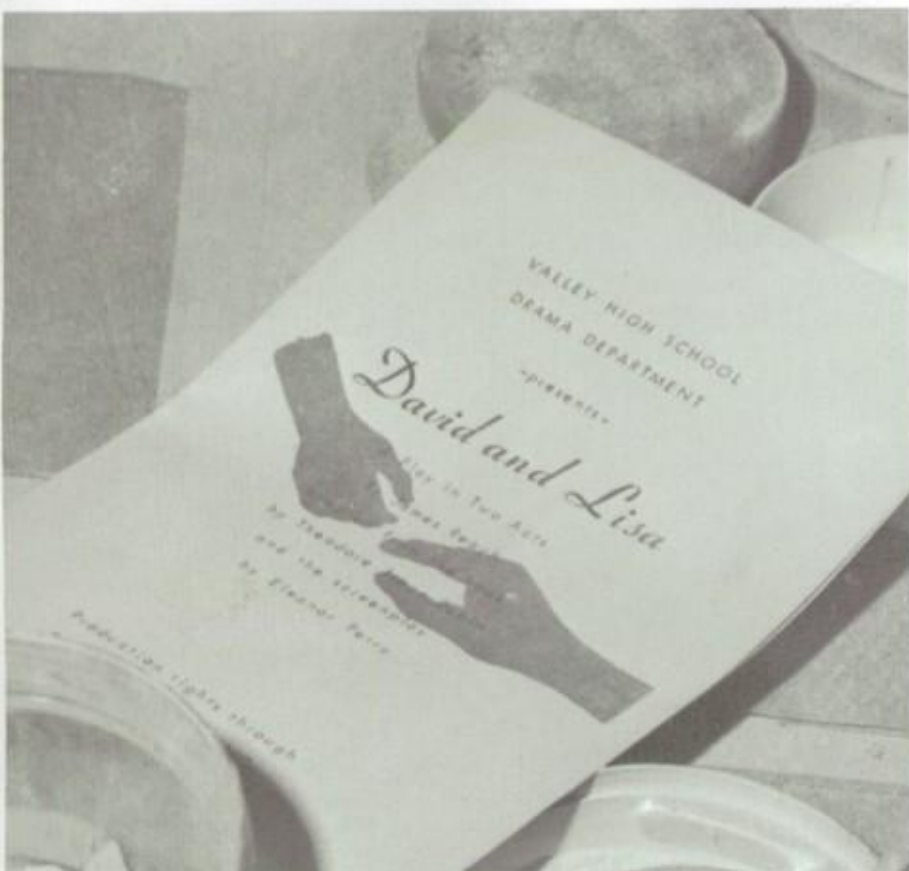

Speech has been equally as busy, receiving a First Place trophy for a Dramatic Interpretation and a French Oral by Emily Akin.

Valley also had the honor of hosting a tournament in October with over 200 students attending.

Emily Akin, Mrs. Miller, and Mark Langner hold trophies received at the St. Pius and Jemez Tournaments.

Pep Club Helps A.P.D. During Christmas

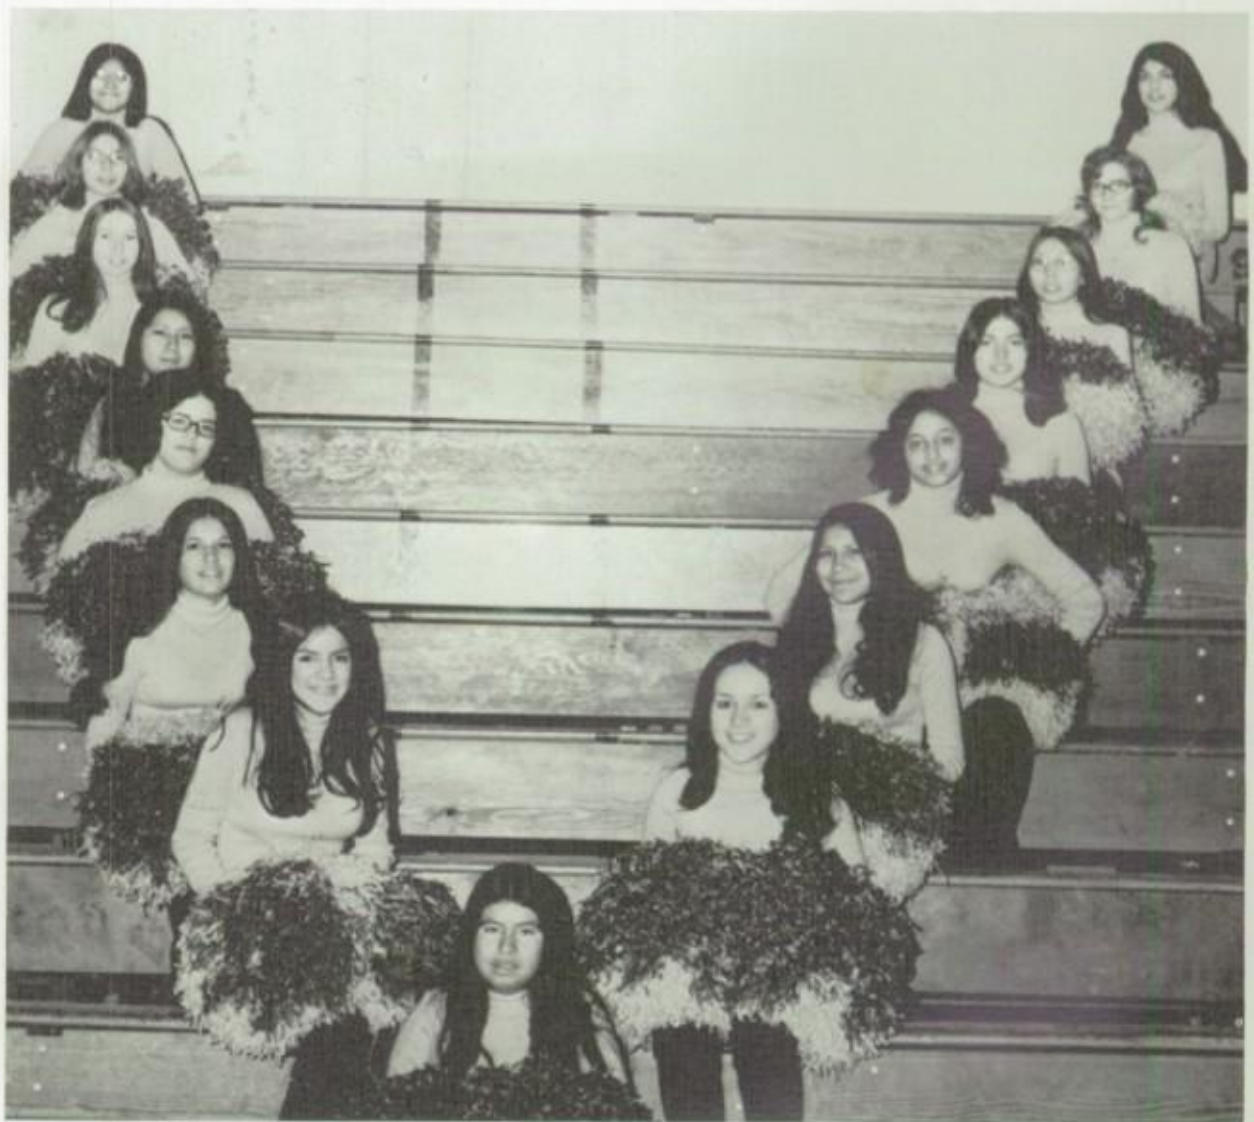

Officers of the Pep Club are (Back row) Paula Metoyer, *secretary*; Evaleen Barela, *vice-president*; (Front row) Agnes Espinoza, *treasurer*; Lupe Garcia, *president*; and Susan Homero, *sergeant-at-arms*.

Valley High School's Pep Club was led by spirited Lupe Garcia. Along with the help of the other officers, they lead the rest of the club in promoting school spirit. Aided by their sponsor, Mrs. Norlander, one of their projects was helping the Albuquerque Police Department at Christmas time by making pinatas. Other activities were a bake sale and a play-night.

This year the Pep Club found it difficult to get interested girls for their club. In past years, the club would get started only to fade away by mid-term; but, the officers kept the initiative to make the Pep Club an active organization, as it is this year.

The girls have also been a big help in promoting spirit at the various football and basketball games.

Members of the Pep Club are Liz De Herrera, Laura Chavez, Liz Chacon, Karen Augustine, Karla Vigil, Susan Romero, Lupe Garcia, Liz Rubio, Evaleen Barela, Agnes Espinoza, Paula Metoyer, Barbara Jaramillo, Susan Aragon, Debbie Harvistan, and Dina Griego.

Valley's Staters Club is an organization of the twenty finalists for Boys' State and the twelve finalists for Girls' State.

This club's purpose is to promote interest in national government, state government, and student government. This year's main project was to revise all the club's constitutions at Valley High School. Also on the agenda for the club was a spaghetti dinner.

This year's officers were President, Joe Lopez, Vice-President, Steve Alarid, Treasurer and Secretary Thomas Molina.

Shown revising constitutions are Stater's Club members Sandra Ulibarri, Gayle Corle, and Billy Brewer.

Indian Club's Second Pow-Wow Big Success And

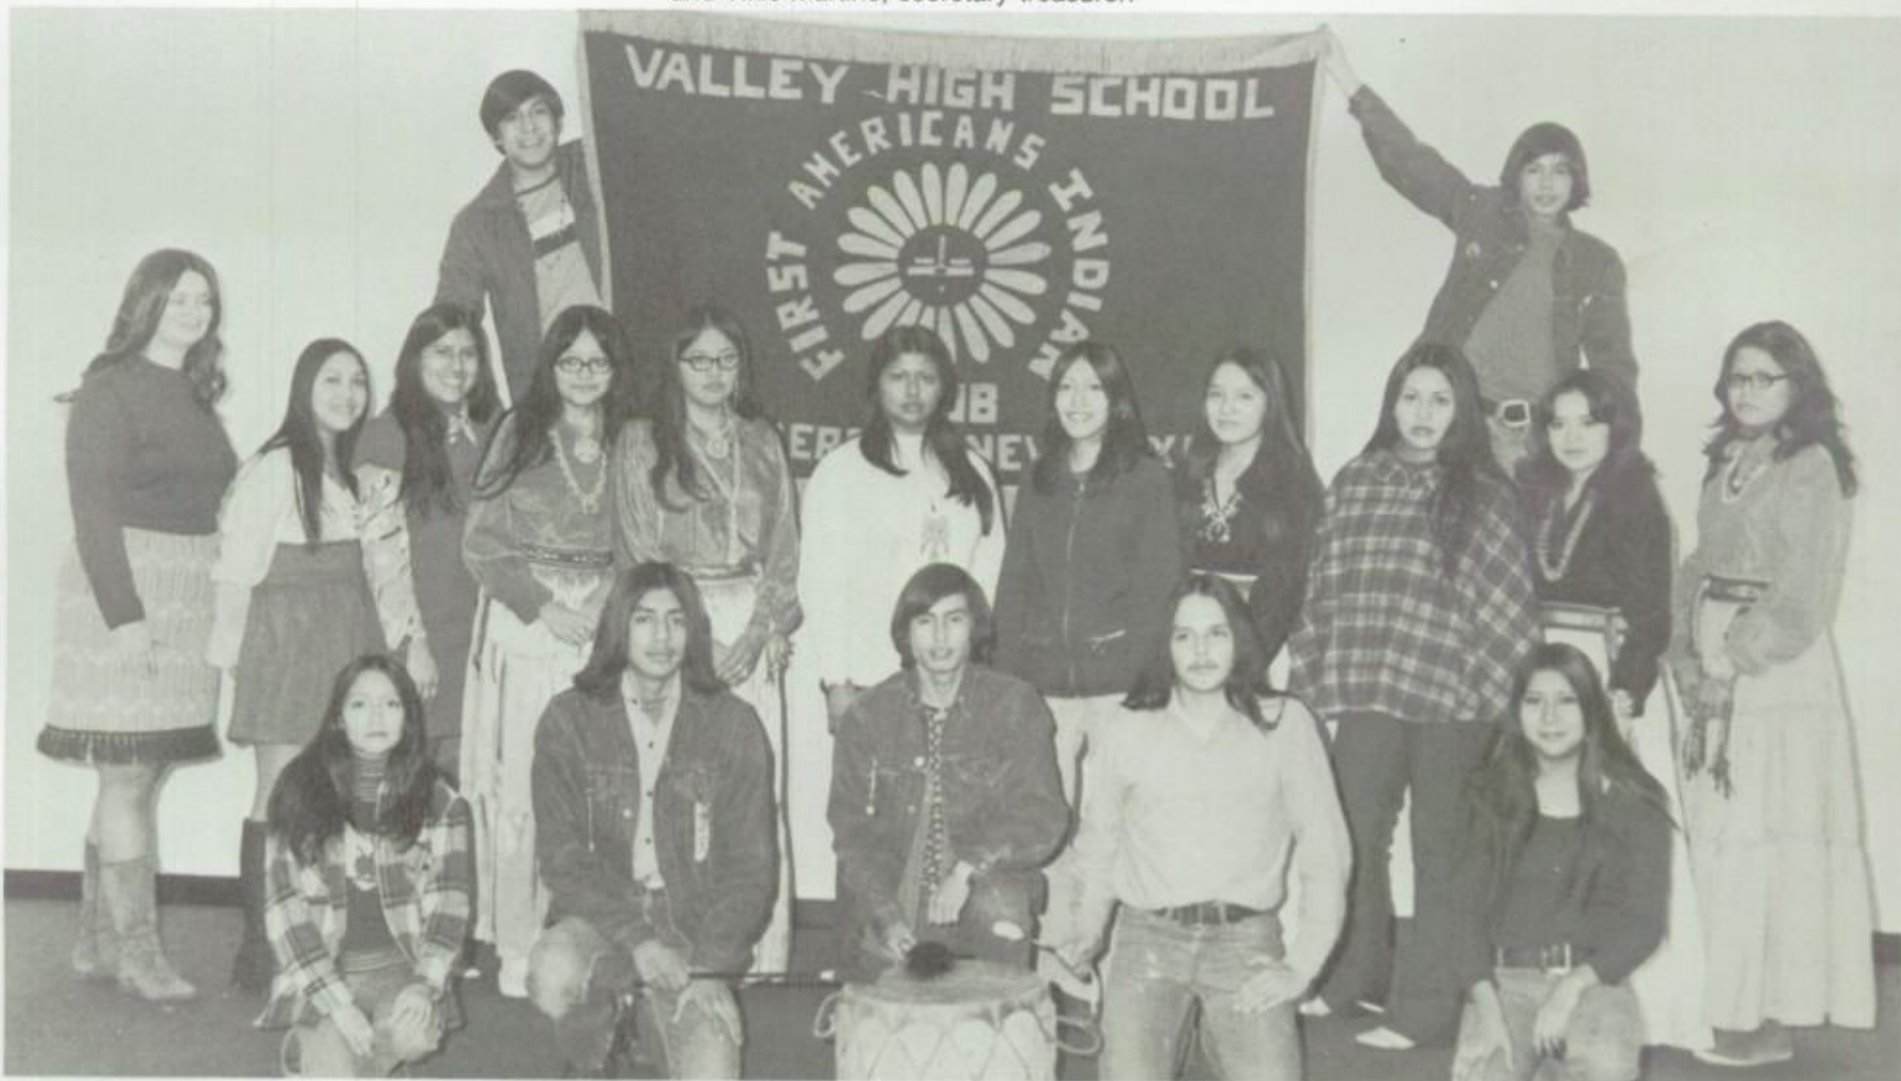

Working hard this year, Valley's Indian Club succeeded in sponsoring their second annual Pow-Wow. In order to raise enough money, they had fried bread sales and also raffled many of their own Indian crafts.

Other activities included traveling to Shiprock, Santa Fe, and the Southwestern Indian Polytechnique Institute to take part in Pow-Wow's. They also took time out to show many of the elementary students a part of their culture.

Members learned the traditional dances and made their own costumes. Taking time out to learn of their different traditional ways, they portray their proud Indian heritage.

Officers of the 1972-73 Indian Club are Royce Kolhmeyer, vice-president; Phillip Martinez, president; and Vikie Martine, secretary-treasurer.

Members of the Indian Club are (First row) Tina Lujan, Cameron Martinez, Frank Gillreath, Royce Kolhmeyer, and Karen Augustine. (Second row) Betsy Yost, sponsor, Lupita Trujillo, Barbara Maestas, Emegene Deswood, Glorianne Deswood, Carla Apachito, Mary Lujan, Lorraine Myers, Rosemary Myers, Vikie Martine, and Marietta Chee. Debbie Trujillo provides reading help for a La Luz student.

Once again Valley's tutoring program has been successful for many children with learning difficulties. Several elementary schools have participated in this effort to bring help to these students.

The tutors sacrifice only one hour a week to help these children in varied subjects like arithmetic, English, science, or reading.

A tutor's job is very important to the child as well as to the tutor. Often the effort made is the difference between a successful child and a failure.

Valley has always had devoted students in the Tutoring Program that are willing to help the community as well as themselves. This year, all the participants have learned along with the children.

This year, the Rodeo Club and F.F.A. combined into a single organization. In the past these clubs have been separate and worked in two completely different directions.

This organization's primary emphasis is not on rodeos as it has been in the past. Although this group did participate in a rodeo this past fall, they worked more on farm techniques, greenhouse work and farm mechanics this past year.

Working under the direction of Mr. Head and Mr. Poe, the new club was extremely successful. Many of the skills that they acquired throughout the year were, welding, mechanics, botany and how to use a lot of different types of farm equipment.

Working on the yearbook are Nancy Ginns, Martha Dixon, Jim Duncan, and Scott Harvel.

Tries To Produce Best Yearbook Ever

Billy Brewer, Dennis Martinez, Mike Garcia, and Brenda Sanchez-Davis rush to meet one of the many deadlines.

This year's Saga Staff was the biggest ever under the direction of Jim Vannoy. There were only four people returning from last year's Saga Staff. The class consisted of thirty people.

At the beginning of the year the staff had to decide on what color to make the year book. Finally after many different combinations the staff came up with one. Also, the staff decides on who they want to dedicate the yearbook to.

As the year began the class also had to learn the techniques of making a two-page layout. This includes writing copy and headlines, and cropping pictures.

Meeting deadlines was the biggest problem this year. Each time a deadline came around members of the staff had to come and work on weekends.

As Janet Arellano trims a picture, Debbie Granados, Lenny Chavez, Donna Gonzales, Arnold Lucero, and Rosemary Gallegos decide on other pictures for a layout.

Roy Dennis Serves As Editor Of The

Members of the 1973 Legend staff are Becky Wright, Carlotta Jaramillo, Barbara Ortega, Emily Torrez, Shirly Ortiz, Laura Marquez, Lorraine Martinez, Brandt Brito, Landis Maez, Julius Meyer, Roy Dennis, Eddie Chavez, Brian Condit, Peter Hobart, Bob Pierce, Mike Kraemer, Phillip Martinez, Jim Vannoy and Scott Lyons.

Eddie Chavez, Carlotta Jaramillo and Laura Marquez make plans for the upcoming edition of the Legend as Becky Wright and Editor Roy Dennis look at a cover she designed.

Legend For the Second Consecutive Year

Looking at the December issue of the Legend are Scott Lyons, Barbara Ortega, Mike Kramer, Landis Maez, Phillip Martinez and Lorraine Martinez.

Barbara Ortega, Peter Hobart and Bob Pierce sell ads while Emily Torrez and Julius Meyer work on a cartoon.

This year's editor for the Viking Legend was Roy Dennis. The Viking Legend changed its style this year. Unlike the Viking Legend of years before, it was transformed into a magazine-type. The staff produced eight issues of the Viking Legend. Each one had a sports page, picture of the Student of the Month, and various other stories.

To finance the Viking Legend members of the staff sold ads to local businesses. The main problems of the staff were writing, editing, and pasting up the different issues.

There was no Journalism I class this year so the new students had to quickly learn the ropes of reporting and begin to actually work on the paper early in the year.

Despite lagging interest and rising costs the newspaper staff tried to produce as many issues as possible to interest as wide a segment of the student population as possible.

Chihuahua, Mexico, For Cultural Exchange Program

Valley's band performs at half-time of the Valley-West Mesa game during football season.

Pep band helps promote spirit at one of the basketball games.

Playing for the football games, the band aims their attention on marching and drills. They entertain for half-time, and boost spirit in the audience. This year they worked exceptionally hard to make the half-time shows look well balanced as well as entertaining.

The band's major project this year was participating in a Cultural Exchange program with Chihuahua High School band in Mexico. They each played for both of their respective high schools emphasizing music as being the "International Language." Besides traveling to Mexico, they participated in many community functions.

Stage Band, gaining renowned recognition for their talent this year, played for many off campus activities.

Pep Band also helped in boosting spirit at all of the basketball games.

Valley High Majorettes Help Promote

Adding color and spirit to Valley all year long were the Majorettes. They are six girls who make up their own routines and perform them at games. Besides their activities at school the girls also participated in many parades along with Valley's band.

Their money raising projects included many car washes, a play-night and also a bake sale.

During the summer the girls won two trophies at the New Mexico Majorette Contest held here in Albuquerque.

Hard work and much practice have made the 1972-73 majorettes a welcome addition to the school.

The majorettes are shown here in their three different types of traveling outfits.

Athletics

Desire, pride, teamwork, school spirit, and a lot of hard work all go into a team. There can be no giving up. The greatest reward is a win, and the roar of a crowd makes it all worthwhile. When defeat comes, one must accept it gracefully; wins must be taken humbly. On a team, teamwork is everything; hard work with the team, mental alertness, and physical sureness are necessities. The person participating in individual sports needs nothing but the body, the work, the confidence, and the will to win. The fraternity of a team is a great experience not soon to be forgotten.

With the win over Del Norte, the Vikes broke a thirteen game losing streak, extending back to the last game of 1970. It was without a doubt, one of the happier moments of the season.

The Vikings were led by two-way all stater John Santillanes. John also made both teams all city, and during the season was chosen Tribune Prep Player of the Week for his performance in the Del Norte game. John Sedall made first team all city for defense. Ray Montoya and Tom Avritt both made second team all city.

Valley's Junior Varsity finished up the 1972 season with a won-loss record of 2-8. Coach Bill Sord and assistants, Ken Kloeppel and Jerry Duffy ably led the Norsemen. The two wins came against Albuquerque High and Rio Grande High.

The Norsemen were plagued with injuries and they ended the season with barely enough players to field a team. They had trouble keeping a healthy quarterback as they lost two due to injuries before they finally got one to finish out the season.

They took one road trip to Santa Fe where they played the Santa Fe High Imps. The Norsemen lost the game, 20-34.

Valley also traveled to Las Cruces this year and competed in a big Invitational. Twenty-two teams were entered with top honors going to the Texas State Champs, El Paso Jefferson. Valley placed a fair seventh.

Valley won several dual and triangular meets. Early in the season Valley met Albuquerque High, Highland, and Rio Grande, taking first in the meet. Top runners were Tony Herrera and Simpson Dickson placing 1st and 2nd.

(Standing) James Sherred, David Beach, Tony Castillo, Coach Glen Lucero, Coach Phil Ewing, Coach Ken Kloeppel, Sam Calderon, John Santillanes, and Sam Perez.

The 1972-73 varsity basketball team under new head coach Phil Ewing ended up with a five hundred season. Together Coach Ewing, Ken Kloeppel and Glen Lucero made up the youngest coaching staff in the city. After being picked to end up seventh in district, the Vikings finished sixth in regular season play and third in the district tournament. The Vikings almost made it to state but they lost the deciding game to Manzano.

After losing their first game at Los Alamos the Vikings had trouble getting started. Through most of the first part of the season the Vikings were up one game and down the next. Then in the latter part of the season the Vikings started playing better basketball. During this span Valley upset two of the highly regarded teams in the state. Two of Valley's victims were Highland and Manzano. In the district tournament Valley upset both West Mesa and Del Norte.

This year's swim team, under third year coach David David, compiled a 4-5 season record. The team did exceptionally well considering they were composed of mainly juniors and sophomores.

One of the team's best performances took place in Roswell where the team finished second out of five teams. However, the team didn't perform well at state with the exception of an outstanding performance by Steve Akin. Steve tied for second in the 100 yd. breaststroke, with a time of 1:06.2.

The 1972-73 Viking grapplers finished out a very disappointing season with a loss to Eldorado. The Vikes went winless in dual matches as early season injuries and apathy took away much of their effectiveness. The wrestlers who did stay out put in what were probably the hardest workouts of any sport at Valley every afternoon for the entire season.

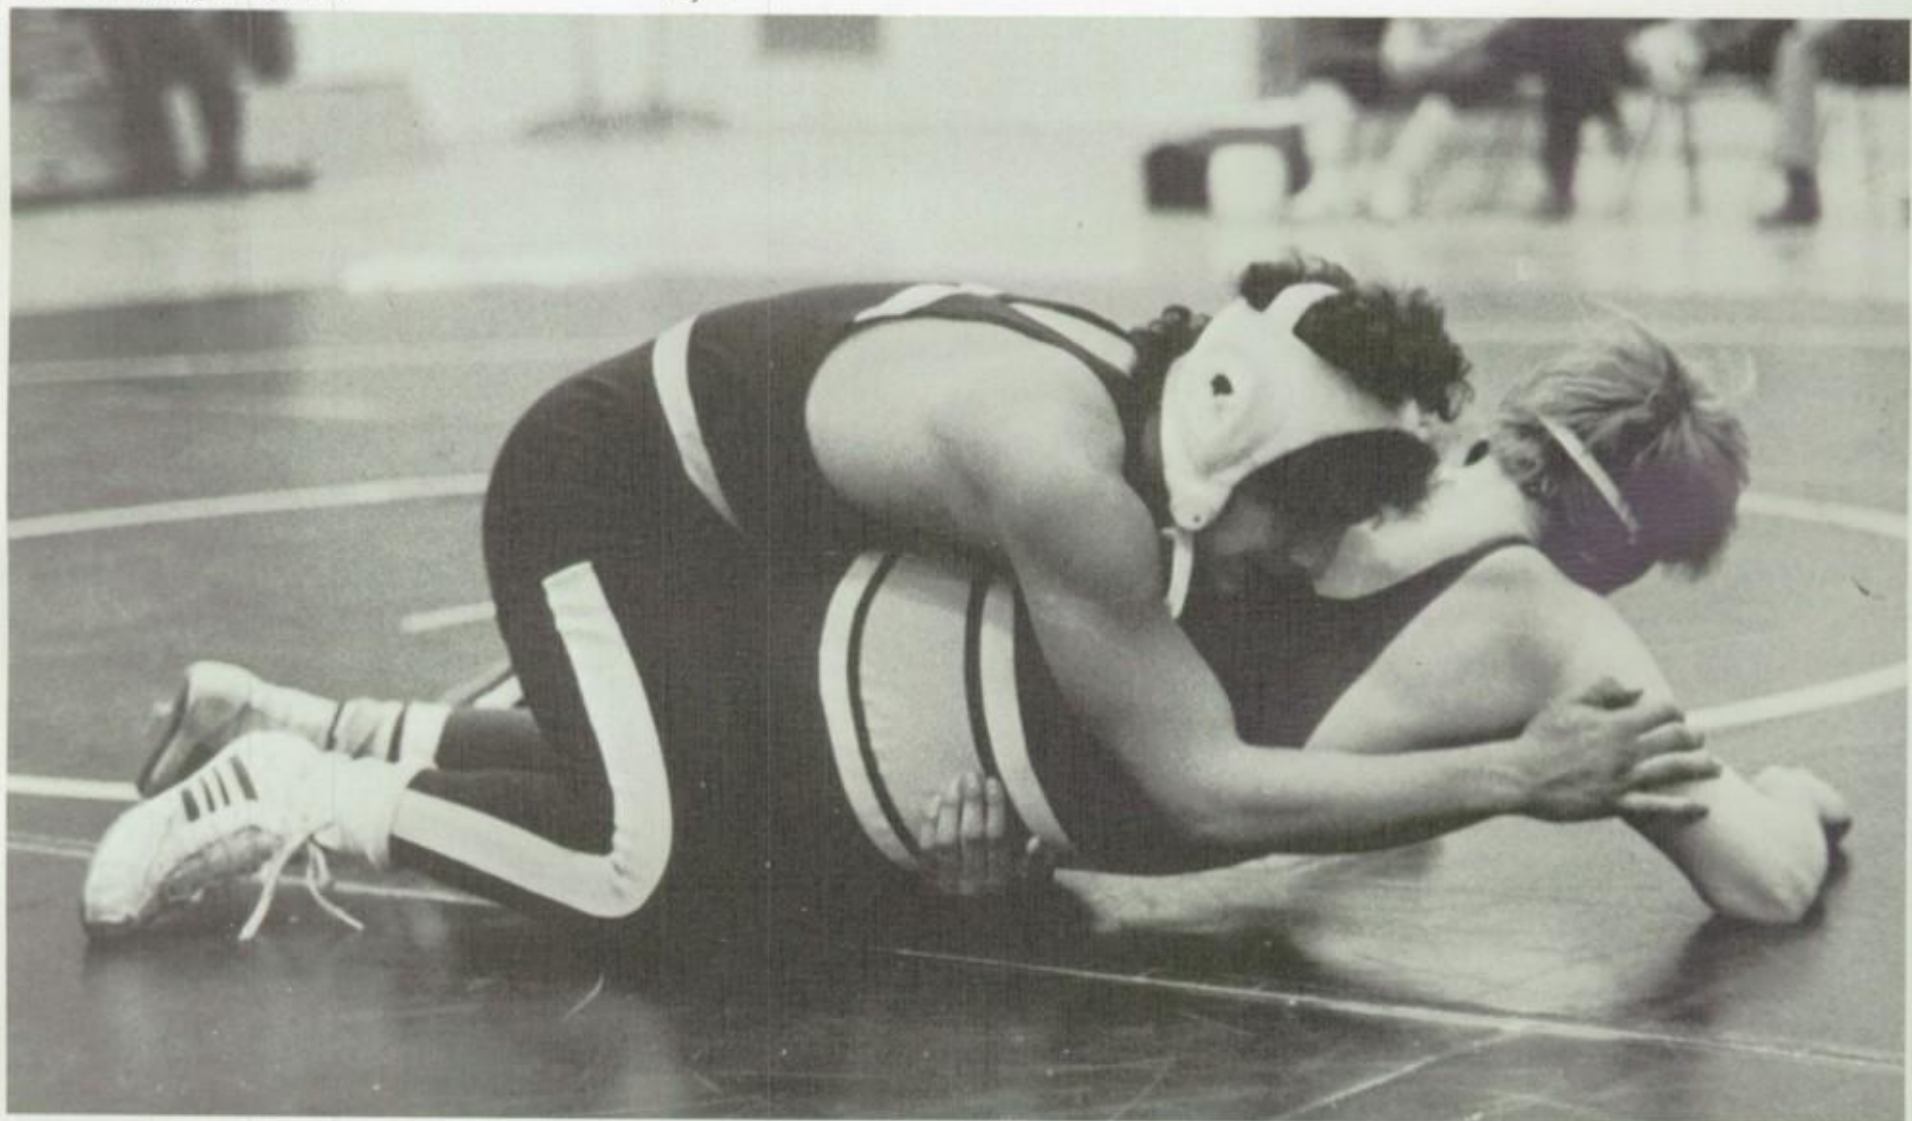

Individual desire was the main ingredient as six of the ten-man team qualified to compete in the state match. Criteria to make state was a first, second, third or fourth in the district tournament. The highest finishing man in state was Brian Condit, who fought his way up through the consolation bracket to finish fourth in state.

Tony Anella takes the baton from Gene Montoya as they lead West Mesa and Manzano in the 880 relay.

Last year Valley's track team had a disappointing season, not taking a first place in team scores throughout the season. This year the team members hoped for a better year. Although they had only three returning senior lettermen, they had several promising juniors.

The returning senior lettermen are Tom Snowden, Robert Lucero, and Gilbert Romero. Some of the promising juniors include John Sedall, Mario Martinez, Dan Drury, Joe Armijo, and Leonard Gurule.

This year New Mexico opened Varsity sports to girls, Becky Hall, a half-miler, joined the Viking squad and was the first female ever to compete in a New Mexico High School track meet.

The 1972 Valley Viking Baseball squad fielded and batted its way to a berth in the state tournament and an eventual third place in the tournament. The Vikes won 15 games and lost only 7 in play throughout the season.

In a playoff game at Los Altos field, the Vikes dropped the Sandia Matadors by a score of 5-0. It was the first State Tourney berth for the Vikes since 1968 and the first district baseball championship since 1963.

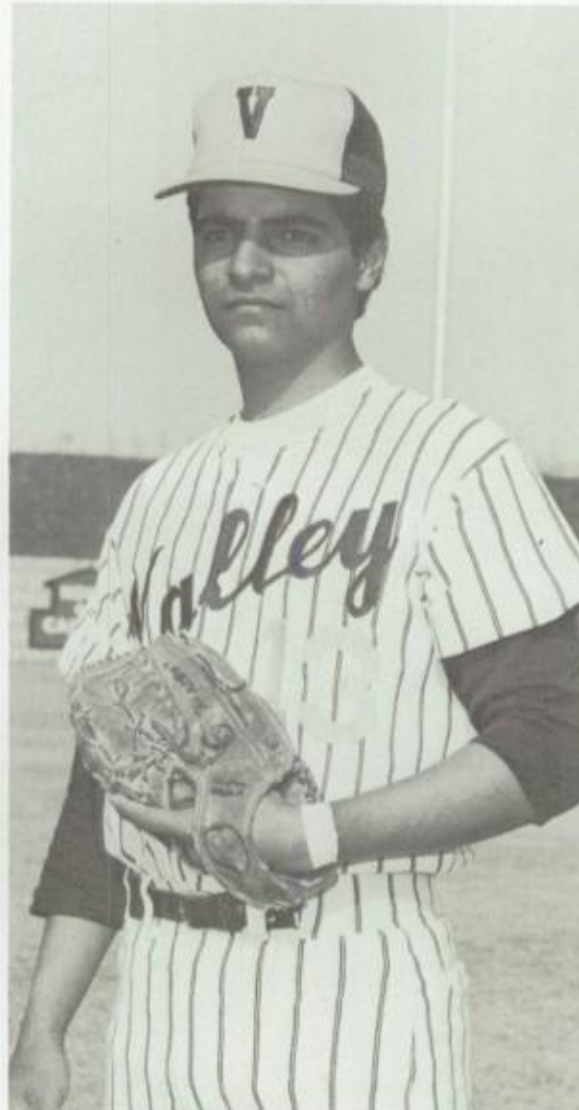

In the state meet, Valley met host Carlsbad, the number one rated team in New Mexico. The Cavemen jumped to an early lead and dropped the Vikes 8-0. Valley was then scheduled to meet Alamogordo for third but the game was rained out and the teams were both awarded third place trophies.

Carlsbad then edged Santa Fe 2-0 for the 1972 baseball state championship.

Junior Varsity Cheerleaders Lead Norsemen

B-Team Cheerleaders for 1972-73 are Bernadine DeLeon, Maria Elena Martinez, Ruth Roybal, Donna Gutierrez, Melanie Padilla, and Bernadette Garcia.

Six extremely spirited girls kept Valley going this year by lending their support to all basketball, football, and baseball games, as well as to swim and track meets and to golf, wrestling and tennis matches. They were a special addition to all assemblies with their cheers and skits. Throughout the whole year the Varsity-Six had money making projects for cheerleading needs. Such projects were selling ribbons, playnights, roller skating party, valentine sales, bake sales, and clinics for elementary school girls.

Six other girls that helped fire up the student body were the B-team cheerleaders. These girls learned much this year. They also had money making projects.

Working together throughout this year they have grown close and have profited from every experience.

This year Valley's new tennis coach Russel Wade led his team of eleven members through fourteen dual matches.

The season which started in February and ended in late April was comprised of dual matches against all of the Albuquerque high schools.

While the tennis team was battling it out on the courts the golf team was usually across town on one of Albuquerque's golf courses in dual matches or in a tournament.

The team coached by Victor Crocco participated in twenty matches between the months of February and May.

Underclassmen

Underclassmen are composed of sophomores and juniors.

Attending activities, sophomores find high school can be enjoyable. They make new friends and take part in Valley's many traditions.

While waiting to become leaders, juniors try to make the best of the 1972-'73 school year.

Selling candy, beanie week, homework, and going to skating parties are some of the experiences of underclassmen.

Upper left: Barbara Saavedra, Larry Kozlowski, and Valarie Luna found many falls and lots of laughter at a skating party. *Upper right:* Many smiles are seen as students enjoy the "Free Fare" assembly. *Lower left:* A group of seniors gather in the cafeteria to enjoy lunch and conversation. *Lower right:* Emily Akin shows her excitement after being announced Vi-Queen.

Seniors

The future stretches before us in the distance, leading us to far away dreams. For some those dreams are of college, travel or marriage. After this year life will never be the same, our friendships, romances and crushes will be spread far around the world. It is hard to believe that after twelve years of schooling we have finally reached a point. Our last year of high school is at a close. We can hardly wait to leave and yet we wouldn't have traded this year for anything.

The Senior Class Chose René Chartier

Senior class officers are Cynthia Sanchez, treasurer; Emily Akin, vice president; René Chartier, president; Aileen Arroyo, historian; Gene Anderson, student council representative; and Becky Chavez, secretary.

THE CLASS OF '73 . . . Their sophomores leaders Arnold Lucero president and Paul Montoya vice president lead the class through an exciting first year with activities of every kind. The sophomores gave the seniors a run for their money in U.M.O.C. and almost beat them with their candidate, Willy Wedemeyer. Helen Romero won as Spirit Sweetheart over her junior and senior class competition. Though thoroughly harassed by the seniors, the sophomores made it through their first year at Valley. As juniors they were lead by Paul Montoya president and Arnold Lucero, vice president and they beat both the junior and senior classes in . . . U.M.O.C. With the

"twice as ugly" twins, Roderick and Rodney Roybal, they were the first junior class in the history of Valley High School to win U.M.O.C. They again won the Spirit Sweetheart contest this year with Brenda Sanchez Davis. Their main goal this year was to raise enough money to put on the best prom yet and they accomplished their goal. As their last year at Valley the Class of 73 chose as their leaders René Chartier president and Emily Akin, vice president. They started their year off with helping out at registration by making I.D.'s. Then went full force into the harassing of all and any available sophomores. Their U.M.O.C. candidate Bobby Pierce this year won by over 100 dol-

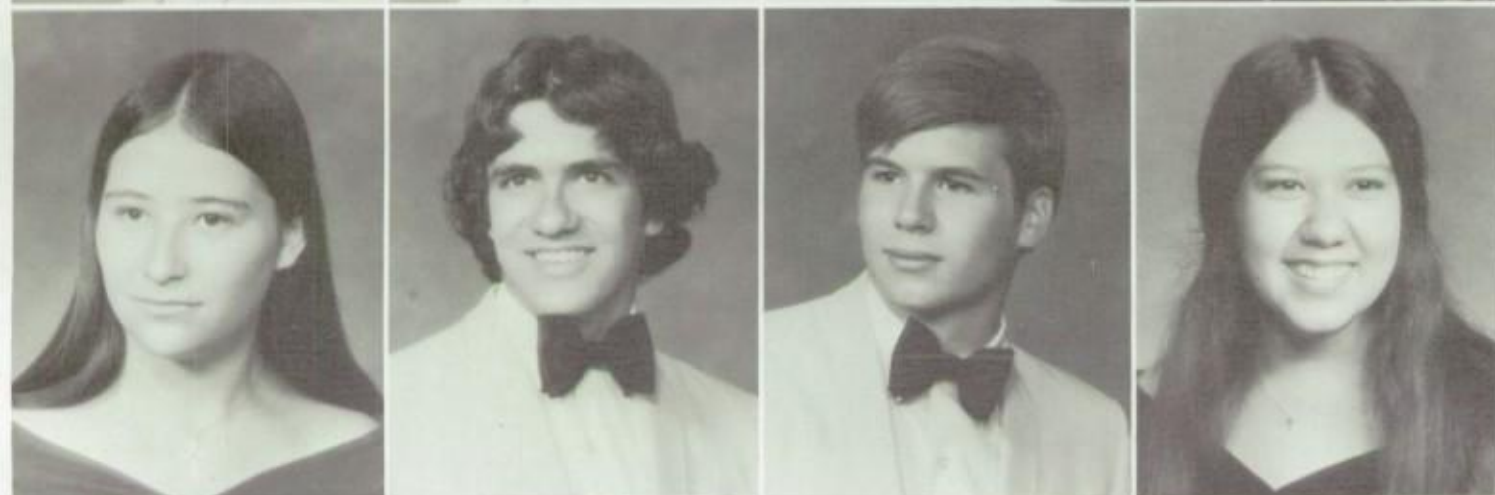

lars, which after two years just proves who is the ugliest class. Emily Akin was the beautiful Homecoming Queen from the senior class and JoAnn Ulibarri added to the Christmas holidays by being elected Snow Queen. As their last contribution to Valley High, the Class of 73 is buying a television monitor for the video tape recorder. This is what all of our past money making projects has gone toward, leaving a gift to future Vikings.

This has been a past three years stuffed full of old and new friends, places, ideas and fun times never to be forgotten by the CLASS OF '73.

1973 Saga Salutes Mr. James M. Vannoy

Suggestions are given by Mr. Vannoy at a Senior Senate meeting.

Mr. Vannoy enjoys a friendly joke with two members of his newspaper staff, Carlotta Jaramillo and Laura Marquez.

Mr. Vannoy converses with reporters of the newspaper staff.

"Way to go you dummy!" one of Jim Vannoy's fabulous trademarks. Many people may think that Valley owes Jim Vannoy a great deal, but Mr. Vannoy expects very little.

Mr. Vannoy has been very active at Valley for seven years. When he arrived at Valley in the fall of 1966 he was told he was to sponsor the school newspaper and yearbook. For seven consecutive years he's done his job with a great amount of integrity. Mr. Vannoy sponsored the class of '69 and the class of '73 from sophomore to senior years.

Sponsoring ski club trips and cheering his heart out at sports events are just a couple examples of his devotion to Valley. If there's a job to be done or a Valley activity taking place you will always find one special person there . . . Jim Vannoy. So we take our hats off in appreciation of Mr. James M. Vannoy.

hon,

I just don't know what to say to you. I mean - I know what it is that I want to say but when I try to say it the words just don't come out the way I want them to so I'll just say I love you.

Ya know, since we've been together the world seems so much brighter, my life is worth living and my mind is clogged with so many beautiful memories of you and I together!

Don't worry your head about ~~losing~~ losing me babe because I need you and want you forever. If things get a little rough between us, just remember that TOGETHER we can make it through the storm. I want you to know that we hold a beautiful future ahead of us and it can be all ours if we have patience, trust and understanding. I guess I've run out of things that I can say. Can you believe that me, Bena Clary, has actually run out of things to say? Well - I have! Put that in the "believe it or not's"! I love you hon!

Smile a smile —————

for me!

Forever yours,

Love,

Bena
